

FIRST DESTINATION SURVEY RESULTS

UNDERGRADUATE

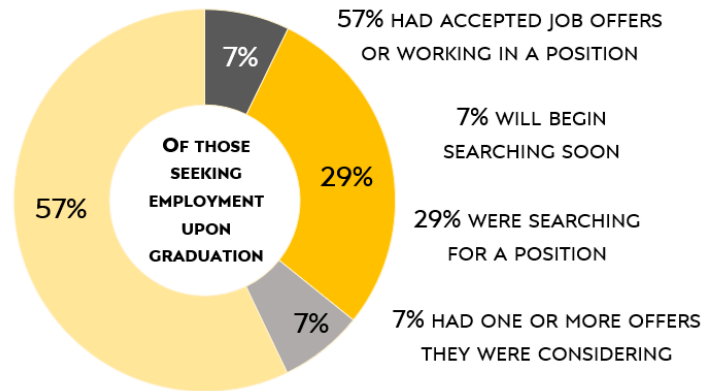

SUMMER 2022 — SPRING 2023

To gauge the success of our academic programs, the University of Central Florida administers the First Destination Survey (FDS) to all its graduating students. For summer 2022 to spring 2023, **1,302 of the 2,084** students who earned an **undergraduate degree** from the **College of Engineering and Computer Science** completed the FDS (response rate: **63%**). Here is what they said:

IMMEDIATE PRIMARY PLAN

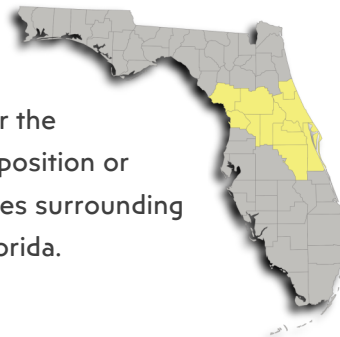

HEAD START

LOCAL IMPACT

For graduates who planned to enter the workforce, **57 percent** accepted a position or are already working in the 11 counties surrounding UCF, and **72 percent** will stay in Florida.

RELEVANCE

For graduates who planned to enter the workforce, **95 percent** reported taking jobs related to their field of study.

95%

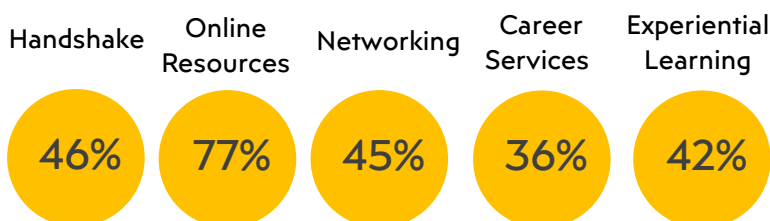

TOP EMPLOYERS

For graduates who reported they were already working or had received a full-time job offer, the top companies were:

1. Lockheed Martin
2. Northrop Grumman
3. L3Harris
4. Amazon
5. JPMorgan Chase
6. Deloitte & Touche

UTILIZING RESOURCES

Respondents were asked to identify all UCF resources that were used or will be used, to obtain employment.

EARNING POTENTIAL

For graduates who reported salary information, the average annual income was:

\$77,633
