

# FIRST DESTINATION SURVEY RESULTS

GRADUATE

SUMMER 2023 – SPRING 2024

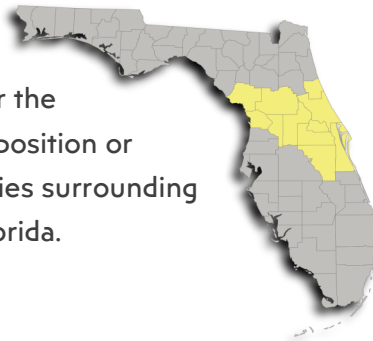

To gauge the success of our academic programs, the University of Central Florida administers the First Destination Survey (FDS) to all its graduating students. For summer 2023 to spring 2024, **402 of the 635** students who earned a **graduate degree** from the **College of Engineering and Computer Science** completed the FDS (response rate: **63%**). Here is what they said:

## IMMEDIATE PRIMARY PLAN HEAD START

## LOCAL IMPACT

For graduates who planned to enter the workforce, **75 percent** accepted a position or are already working in the 11 counties surrounding UCF, and **56 percent** will stay in Florida.

## TOP EMPLOYERS

For graduates who reported they were already working or had received a full-time job offer, the top employers were:

1. Lockheed Martin
2. University of Central Florida
3. Amazon
4. Northrop Grumman
5. NASA Kennedy Space Center

## RELEVANCE

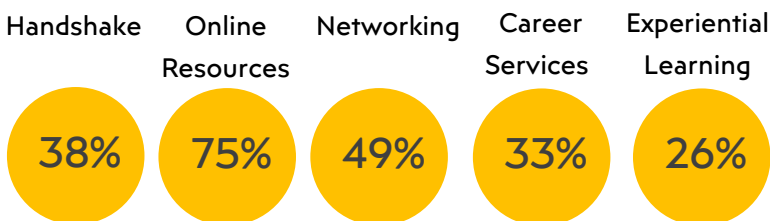

For graduates who planned to enter the workforce, **94 percent** reported taking jobs related to their field of study.

# 94%

\*Data as of 2022-23.

## UTILIZING RESOURCES

Respondents were asked to identify all UCF resources that were used or will be used, to obtain employment.

## EARNING POTENTIAL

For graduates who reported salary information, the average annual income was:

# \$91,580
