

FIRST DESTINATION SURVEY RESULTS

UNDERGRADUATE

SUMMER 2023 – SPRING 2024

To gauge the success of our academic programs, the University of Central Florida administers the First Destination Survey (FDS) to all its graduating students. For summer 2023 to spring 2024, **1,341 of the 2,016** students who earned an **undergraduate degree** from the **College of Engineering and Computer Science** completed the FDS (response rate: **67%**). Here is what they said:

IMMEDIATE PRIMARY PLAN HEAD START

LOCAL IMPACT

For graduates who planned to enter the workforce, **75 percent** accepted a position or are already working in the 11 counties surrounding UCF, and **62 percent** will stay in Florida.

RELEVANCE

For graduates who planned to enter the workforce, **94 percent** reported taking jobs related to their field of study.

94%

TOP EMPLOYERS

For graduates who reported they were already working or had received a full-time job offer, the top companies were:

1. Lockheed Martin
2. Northrop Grumman
3. L3Harris
4. Amazon
